

RWYC Programme of Events 2019

The following pages show the programme of events for all activities – Yachting shown in blue = Rowing shown in Green – Social shown in yellow - Joint events shown in red.

These events will be published in the weekly/monthly email bulletins which will include any activities added along the way.

Yachting

In recent years the activities of the Club have moved from a traditional racing programme to a more generic series of on the water events. These have included local cruises, such as those organised by Sailing Captain Geoff Hilditch, informal inshore racing, rowing, participation in local regional events such as the Conwy River festival and Menai Strait regattas and involvement with Class cruises and other Clubs such as the North Wales Venturers. The 2019 Programme has therefore been redesigned to reflect those changes. Programmed sailing events, other than those organised by Geoff, will be co-ordinated by an Officer of the Day who will provide a focal point for those taking part and agree arrangements based on tidal and weather conditions. Tide times have been adjusted for Daylight Saving where applicable. Suggested start times may also be subject to change and these will be published in the weekly Bulletin.

Rowing

In addition to the dates below, races to look out for will be the Welsh Sea Rowing Association league races which will be held on Sundays from the beginning April through to September. Clubs holding these races in the northern section will be Ynys Mon, Beaumaris, Caernarfon, Porthmadog, Aberdyfi, Borth & Aberystwyth. A southern section also holds races. Three joint races are held between the North & South sections.

Some clubs also hold a longer distance race, similar to our Castle to Castle in length. Beaumaris have the Puffin Island Race, Porthmadog have the Madog Dash & Pilot Race. Events further afield are the Ramsey Island, The Mermaid, The Milford Marathon, The Cleddau & Dinas Head.

Social rowing takes place every Sunday morning at 10am and on Tuesday & Thursday evenings at 6.00p.m. Training rows are held in addition to these sessions. Social rowing takes place every Sunday morning at 10am and on Tuesday & Thursday evenings at 6.00p.m. Training rows are held in addition to these sessions

Social

Events listed are those planned at the time of going to press. Most dates are yet to be confirmed and other events will be added throughout the season. These will be announced via email in the weekly newsletters and monthly bulletins.

Regular Events are:

Monday – Gypsy Jazz or folk sessions

Tuesday – Cribbage Night and other board games

Alternate Fridays - Quiz Night
