

## Welcome back!

We're looking forward to welcoming you back to the newly normalised clubhouse from the 7<sup>th</sup> August 2020. You will be reassured to hear that we have introduced a number of changes to help protect you from Covid-19 and make the club one of the safest places to drink and socialise in the country, whilst doing our best to maintain the friendly welcoming atmosphere that you have rightly come to expect.

As you can imagine, we have all sorts of risk assessments, plans, contingency plans, guides and checklists prepared on just about every conceivable aspect of running the club. My aim here is to explain as simply as possible what you can expect when you come in.

### Opening Hours

These are now as following:

Friday – 19.30 – 22.00

Saturday - 19.30 – 22.00

Sunday – 19.30 – 22.00

Monday – 19.30 – 22.00

Tuesday – 19.30 – 22.00

### BOOKING is ESSENTIAL

To avoid overcrowding, congestion on the stairs and to ensure that all our members have an equal chance to enjoy the club, we are introducing a booking system. Members should e-mail us on [rwyc.barbooking@gmail.com](mailto:rwyc.barbooking@gmail.com) to reserve a table. **In the absence of member bookings the bar will remain closed.**

Your e-mail must include:

- the date of your proposed visit,
- whether you want to book the early or late session or both sessions
- names of those intending to come along
- A contact telephone number for the group
- Confirmation that nobody in your group have any symptoms of Covid-19

You may also wish to state a preference for a particular table and if you would like to make use of one of the outdoor tables during your visit. Due to the changeable weather at the moment we are not taking separate bookings for the tables on the Barbican as, if the weather changes, we could end up with indoor capacity issues.

You will receive an e-mail response as soon as possible to confirm your booking or offer alternatives if we are full.

## Seating arrangements

We have 5 tables set up in the main room, all of which are well spaced to ensure that the 2 metre social distancing rule is observed. These are numbered 1-5

Table 1 – as you come through the door from the stairs

Table 2 – by the bar

Table 3 – by the window overlooking the Straits

Table 4 – the curved bench

Table 5 – on the internal wall.

There are 2 tables available on the Barbican that can be reserved at the time of booking

The tables will be set up for the number requested at the time of booking

## Getting in

To control numbers in the club the door will be kept locked. When you arrive, please press the button on the intercom system in the porch. This sounds a bell behind the bar so we know you are there. The door can then be released and you can enter the club – you should hear a “click” when the door is released and you can then enter as normal. I will endeavour to open the door as quickly as possible.

We are currently awaiting the fitting of a new intercom system that will allow 2-way communication, until then I shall be relying on the secret camera to identify who's there.

If for whatever reason you experience problems getting in please give us a call on the club house telephone number **01286 672599**

There will be a “sanitising station” (including a “hands-free” dispenser etc) on a small table in the entrance to the Tegarty Bar, immediately as you come in. Please apply the necessary hand gel before going upstairs where you will be welcomed and shown to your seats.

ring

## Getting Drinks

To avoid possible bunching at the bar there will be table service available. For those drinking al fresco on the Barbican, if you find yourself getting thirsty, please feel free to attract attention to your dilemma either physically or, if you prefer, by phoning through your order. The barstaff have been programmed to respond to a variety of requests for service including the use of their name, “hello” or “oi you”

(Garçon is frowned upon as being inappropriate due to the age of our staff). Frantic waving of arms is also acceptable, shouting is, however, not allowed in accordance with Covid-19 guidance.

Payment will be made at the end of your session, preferably by card.

### **Toilets**

There will be antibacterial liquid soap and hand sanitiser available in both male and female toilets along with paper hand towels if required. There will also be antibacterial wipes available for you to wipe down any surfaces you have touched whilst you are in there, including taps, sink, loo seat, etc. **Please make sure that the blue hand towels and wipes are put in the bin as they quickly lead to blockages of the toilet and unpleasantness for your fellow members.**

Only one person may enter the toilets at any one time. For the gents a brightly coloured ball will be placed on the approach landing. We would ask that you move this to the middle when entering the toilet and to the side when leaving as an indication that the toilets are vacant (and an excuse to show off your footballing skills).

### **Food**

The kitchen will be out of bounds for the time being, and takeaways are not allowed. I will make sure we have a good selection of crisps, nuts etc behind the bar.

### **Smokers**

Smoking will be allowed at both tables on the Barbican. There is also room for 1 additional person to have a socially distanced cigarette/cigar/pipe/shisha (small) on the Barbican. As always, please be aware and respectful of other users on the Barbican at that time.

### **Social distancing**

In Wales we still have a 2m social distancing rule. I'm pretty sure that, as responsible adults, I don't have to remind you how seriously some people take this due to medical conditions, vulnerabilities or just that, like me, they see rules as rules. Please show due respect to your fellow members.

### **Exiting the premises**

Unfortunately, every session must come to an end. Please leave your empties on the table and, on your way out, use the sanitiser station at the top of the stairs.

All tables and chairs will be cleaned and sanitised at the start and end of each session. All door handles, hand rails, etc will be cleaned at the start and finish of the shift and at regular intervals during the shift with sanitiser.

This is your club, and we want it to be a place where you can relax and enjoy yourself as much as possible within the current circumstances. I hope that I've covered any questions you may have had, but if you have any further queries, concerns or suggestions, please feel free to e-mail me @ [rwyc.barbooking@gmail.com](mailto:rwyc.barbooking@gmail.com)
