

Yachting Programme 2018

Cruising Programme

Cruising in company is an increasingly popular part of the Club's sailing programme. The principal cruises are arranged by the Cruising Captain, Geoff Hilditch, who circulates proposed dates a few weeks in advance, with the choice of destination being made closer to the time. The first cruise is planned for the weekend May 5th. If you would like to join the mailing list for details of the cruises, please contact geoff@huntbros.co.uk
